### Ten Things You May Not Know About Me

Photo by Susan Young

1. I once fell out of a moving car.
2. I survived.
3. I will not visit a friend's house if they have a large dog.
4. It's not a big loss because I don't have many friends.
5. I am extraordinarily nearsighted.
6. I ran cross-country in high school and was the worst runner on the team.
7. If I begin reading a book, I have to finish it, no matter how bad it may be.
8. If someone says something good will be happening in the future, I ask them to knock on wood three times, so as to prevent their statement from jinxing me.
9. I did not kiss a girl until I was seventeen.
10. I cannot visit Turkey for fear of being arrested.
