The Pizza Problem

Pizza Party!

Draw a line to cut the pizza in half. Add your favorite toppings to one half. Add some more toppings to the other half. Now color it all in!

The Pizza Problem

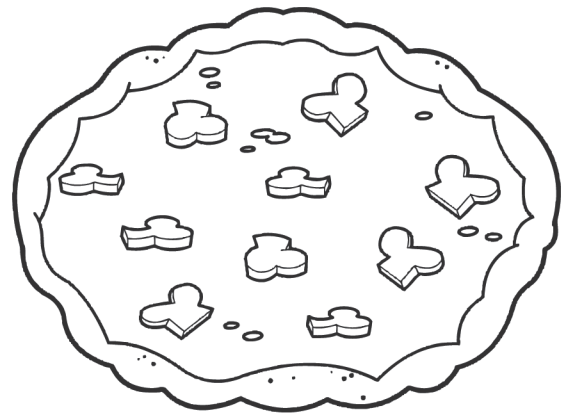

Totally Topping!

Count the toppings on each pizza:

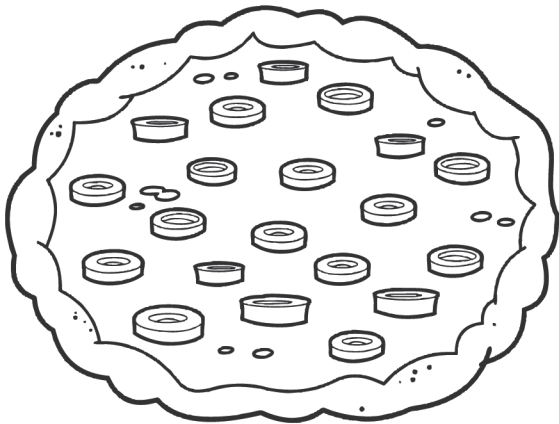

How many pieces of pepperoni are there? ____

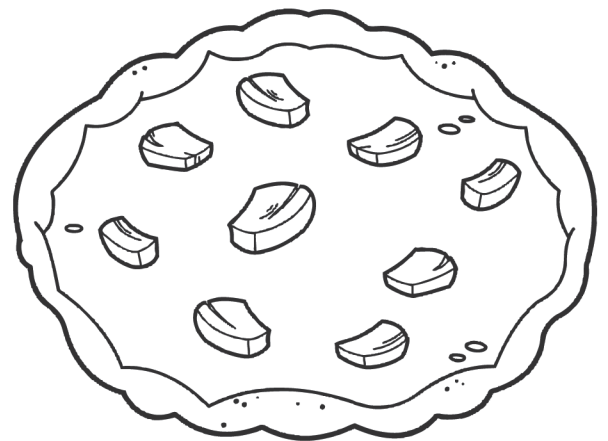

How many mushrooms are there? ____

How many black olives are there? ____

How many slices of pineapple are there? ____

Now color the pictures.
