# JUST LIKE MILLIE

Lauren Castillo

A shy young girl finds exploring her new city and making friends overwhelming—until a rescue dog helps her uncover the bravery that was always in her.

Use *Just Like Millie* in your classroom to talk about making friends and overcoming fears.

# JUST LIKE MILLIE

- The little girl has a difficult time talking to people until she has Millie by her side. Ask your students to discuss why this might be and why it was easier for her to make friends with Millie.
- Have your students write about a time when they were brave. Then ask them to share their story with a classmate.
- Ask your students what makes them feel braver. Is it a special pet, a person, or maybe a stuffed animal?
- Have your class bring in a drawing, picture, or example of whatever makes them brave to present to the class.
