Use these discussion questions in your classroom to engage more deeply with the story.

## HOORAY FOR Anna Hibiscus!

- Anna Hibiscus feels many emotions as she prepares to sing for the visiting president. Name them and describe how she handles them. Have you ever been in a situation where you had to be brave? Who helped you? What emotions did you feel?
- How do you know that hair is important to Anna's family? What are Anna's feelings about her own hair? What do you think of how Anna solves her problem with her hair? How does she feel about herself once she gets her hair styled as she wants? What is beautiful about your own hair?
- When Anna's family loses electricity, how do they make the most of the situation? What are they able to notice and enjoy during the time when the lights are out? What do they miss when the generator comes on?
- Think about the choice Anna Hibiscus makes to tell her grandparents what happened to the generator. What does she think about as she makes her decision? How does her choice impact others? Do you think she made the right choice? What would you have done in this situation?
- How is Anna Hibiscus similar to you? What qualities does she have that you admire or find interesting?
